

Dear Living History Groups:

The Commemorative Air Force High Sky Wing is once again preparing for the annual CAF High Sky Wing AIRSHO 2017. The Best Warbird Show in America will take to the sky September 16-17 at the CAF High Sky Wing facility and Midland International Air & Space Port. Join us as we pay tribute to the great airplanes that were flown in the defense of our Nation and remember the sacrifices that were made by those who served and continue to serve.

We take this opportunity to invite World War II, Korean and Vietnam Living History Groups to join us at AIRSHO and be a part of this historic weekend. We have a large area reserved for setting up encampments; overnight camping is encouraged, as well as sufficient area for displaying your military vehicles and equipment.

CAF High Sky Wing AIRSHO 2017 will feature many WWII aircraft in the Arsenal of Democracy flight, a Tribute to Vietnam and other aerobatic performers. As always, the doors in the Gunfighter Pub are open, inviting you to partake in refreshment, relaxation and great camaraderie. You are also invited to the Friday night Hangar Party as well as the Sunday night Survivor's Party.

I hope we can include your Living History Group in the CAF High Sky Wing AIRSHO 2017, as together we bring history to life for the thousands of spectators that come to the show. Please feel free to contact me by phone or email with any questions.

Sincerely,

Gena Linebarger
